

**GREEK ORTHODOX LADIES  
NATIONAL PHILOPTOCHOS SOCIETY, INC.**

**CHILDREN'S MEDICAL FUND  
GRANT DISTRIBUTION**

Since its establishment in 1989, the Children's Medical Fund has sought to provide medical assistance to critically ill Greek, Greek American and Orthodox children, whose families are unable to afford appropriate and necessary medical treatment. The Fund also provides grants for innovative research programs to pediatric hospitals throughout the United States and to organizations with special programs that care for children with critical and life-threatening illnesses.

The Children's Medical Fund Luncheon began as the Cancer Fund Luncheon in 1989 at the Waldorf Astoria in New York City and was followed by a second Cancer Fund Luncheon in 1990. These successful events provided funds for Memorial Sloan Kettering Hospital, for the Greek Children's Cancer Fund and for the Kids-n-Cancer program. In 1991, this event was officially named the Children's Medical Fund Luncheon, and it became a biennial event hosted on a rotating basis within the Direct Archdiocesan District and eight Metropolises of the Archdiocese.

*“Let us rejoice and embrace the children.”*
