**Stella Xikis Retires After 30 Years of Service**

**For Immediate Release:** April 12, 2021

**New York, NY** – The Greek Orthodox Ladies Philoptochos Society, Inc. would like to announce the retirement of Stella Xikis, a valued and indispensable member of the Greek Orthodox Ladies Philoptochos Society, Inc. staff for 30 years!

Stella was a dedicated employee whose quiet focus and subtle humor made her both good at her job and a great coworker. Stella's daily operation of managing the financial records with the guidance she provided to the stewards of the society will be sorely missed. Many most likely know Stella from the assistance she gave over the phone or via email for any number of chapter and metropolis needs. Although Stella was not usually present at Philoptochos Conventions or Children's Medical Fund Luncheons, her work was front and center. Stella worked with the National Board and Audit Firms to ensure that the finances of the society were done accurately year after year.

While Stella will be missed by all at the National Philoptochos Office, her hard work and diligence have greatly benefited the organization. We wish her well in her future endeavors and the new opportunities her retirement will offer her.
